

1. K-LOVE serves me as a resident of the local community by providing commercial-free radio with a positive, message. I enjoy listening to K-LOVE because it is not filled with any questionable or obscene language or material, which is rare today.
2. If K-LOVE were to be displaced by an LPFM broadcaster, the Denver area would no longer have such a positive, uplifting channel available to them free-of-charge. Listeners would have to resort cable or X-FM.
3. K-LOVE's broadcasting is definately in the public's best interest. Again, K-LOVE is the only channel providing free, programming of this nature. It would be a loss to the Denver community to lose this great station.
